Mission Statement

Lake Center Christian School assists Christian families and their churches in equipping students for lifelong learning and service to Christ. Lake Center Christian School offers a K-12 education, that is centered in Jesus Christ.

Student Conduct Code

Lake Center Christian School acknowledges Jesus Christ as Lord over all areas of life. By enrolling at LCCS, each student indicates a desire to learn more about Jesus and His teachings, and to grow in a relationship with Jesus that includes all aspects of life. Each student is encouraged to develop honest, respectful and caring relationships with fellow students, faculty, parents and community persons.

LCCS is committed to a redemptive discipline in which counsel, support and encouragement are given to those students who may develop a problem and who sincerely want to overcome the problem. Students are asked to abstain from behavior that is harmful to themselves and others. The use of alcohol, tobacco, illegal drugs, profanity and pornography is unacceptable behavior. Dishonesty, gossip, inappropriate dress, bullying, hazing, sexual harassment, sexual relationships, and malicious/disrespectful/illegal conduct is also unacceptable behavior. These behaviors will be addressed when they occur on campus or off campus at school-sponsored events. At times, inappropriate behavior of this nature may occur off campus at non-school related events. As a partner with the Christian home and church, LCCS is interested in promoting a consistently Christ-centered life for the students we serve. Therefore, when school personnel become aware of inappropriate student behavior off campus, it may be in the best interests of the student and the school to address this behavior; working with students, parents and sometimes the church, helping guide students towards a consistent walk with Christ.

Continued student involvement in any of these activities, as well as any other activities that consistently detract from the program and mission of LCCS, will show the faculty and administration that the student is not interested in living a life compatible with the example of Jesus Christ. Such a student will be asked to leave Lake Center Christian School.

Covenant

In seeking admission to Lake Center Christian School, we pledge to cooperate with the school's philosophy, objectives and policies. We will attempt to help LCCS be a witness to the church and the community as stated in the Student Conduct Code.
