- Class Representatives
 - We would love to have at least one parents join PTF from each classroom (multiple at each grade level). This will allow great communication to take place between the classes, teachers and the PTF. Many hands make light work and the more parents that are involved, the more ideas flow! Tell your friends and bring them to the next meeting (the 4th Thursday of every month!).

 - Teacher Break Room snacks help fund this endeavor. Please sign up to provide donations of snacks and drinks.

- Please PRAY for our Teachers and Staff. They are feeling extremely overwhelmed/tired/weary already at this point in the year. May God give them the endurance, stamina and rest that they require to work to His full potential.

Mrs. Maarschalk Update

- Faculty Retreat - September 23-24
 - Pray that it is a time of refreshment and growth, individually and as a team.

 - Students to learn to be great leaders.
 - Teachers as they adjust to the schedule change challenges.
- Potential Upcoming Canvas class
 - Mrs. Roberts addressed issues with the App. Be sure to sign in under the student's name as the parent. If it is not working, use the Canvas internet site as a fail safe rather than being frustrated with the crashing app.
- Encourage your students to write Thank You notes to their teachers.

Secondary News (Julie Klein)

- Miss Engel is accepting donations of feminine hygiene pads for the JH girl's bathroom. Discreetly deliver to Kayla at the front desk.
