

EdChoice Award: Sign & Return Promptly

Once your child's EdChoice scholarship application reaches the "awarded" status, you will receive an official award letter in the mail from the Ohio Department of Education.

This letter will include:

- The exact scholarship amount your child has been awarded
- An acceptance form that must be signed and returned to LCCS promptly

Please keep an eye on your mailbox once your application is marked as "awarded." This letter initiates the final steps in the funding process.

You can also log in to your [OH|ID account](#) and check the EdChoice portal at any time to view your application status.

Returning the signed acceptance form to Lake Center as soon as possible ensures that the funding is applied to your child's tuition without delay.

For EdChoice applications and complete information, please visit our [webpage](#).

Questions can be directed to finance@lccs.com.
