[ParentSquare](#) is our primary platform for home-to-school communication, bringing all school messages—texts, app notifications, emails, forms, and announcements—into one easy-to-use tool.

Families can rely on ParentSquare for important school information, event highlights, urgent alerts, communication from teachers, and more. You'll find our weekly campus newsletter, ***The Tiger Pause***, every Wednesday, along with classroom newsletters and updates from your child's teachers.
