

The Learning Management System (LMS) for Secondary

CANVAS is our digital classroom. Students access assignments, instructional materials, and teacher feedback through this platform.

What Parents & Students Can Expect:

Course Homepages: Each class will have a clear, organized homepage with weekly content and announcements.

Assignments & Resources: All classwork, readings, videos, and assignments will be posted here, along with due dates.

Weekly Updates: Teachers will update CANVAS each week to reflect current lessons and learning goals.

Communication: Students can message teachers directly through CANVAS and receive announcements.

Grades & Feedback: In-progress grades and assignment feedback are posted here regularly. (Note: Final grades are posted in PowerSchool.)
