

## 1 TOUR

Schedule an in-person tour of our campus and see how Lake Center can provide the right academic and faith foundation for your student.

Call our Admissions Office: 330-877-2049 or [schedule online](#)

## 2 APPLICATION

Our application is all done online! Visit [lccs.com/application](https://lccs.com/application)

Make sure all documents are uploaded to the application, including:

- Student Birth Certificate
- Custody Decree/Guardianship (if applicable)
- Special Education Paperwork (if applicable)
- Schooling/Homeschooling records (if applicable)

Once we receive the completed application and forward the referral forms, a link will be emailed to you to pay the \$50 application fee. This is a one-time, per-student fee.

## 3 INTERVIEW

When referrals are completed, your application will be reviewed by our Lake Center team. An invite may then be made to interview with the family.

If an evaluation of the student's readiness needs to be done, it will also be set up at this time.

## 4 OFFER

LCCS will email an Admissions decision to parents. If a seat is available and being held for your student, this is the time to accept or decline enrollment. If no seat is available for your student, you may be given the option to enter our waiting pool.

Seats can open up at any time!

## 5 RECORDS REQUEST

Should you decide to enroll and a seat is available, the team at Lake Center will reach out to your student's previous school asking for records. This initiates your withdrawal and enrollment at Lake Center.

We're so happy you are joining us!
